Recruitment Fraud Alert

We would like to bring to your notice that **AECOM India Pvt Limited** (“AECOM”) follows a merit-based employee recruitment practice with extensive screening steps. AECOM does not charge/accept any amount or security deposit from job seekers during the recruitment process.

It was observed that there has been an increase in recruitment fraud involving scammers who post fraudulent jobs openings, or who contact jobseekers with fake job offers. These individuals sometimes even conduct fraudulent interviews with an attempt to obtain personal information or money from the applicants. We have also noticed that certain individuals claiming to be from the AECOM Human Resources/ Recruitment function are contacting prospective candidates pretending to represent AECOM with job offers. In case you or any candidate receives any unsolicited or fraudulent communication regarding a job offer or an interview call against payment of money, please stay alert and recognize it as a scam. On receipt of an interview call, to prevent falling victim to the same, the candidate may take some measures such as visiting the official AECOM website to verify the source and authenticity.
